11. Bookings and Cancelations "Warbird Flights Flights"

a. The timing of a 20 or a 30 minute flight is taken from when the aircraft has started and moves to taxi including the flight time and the final taxi until the aircraft stops. This is known as "Block time" or "Chock to Chock" We normally allow a 3-5 minute taxi either end of the flight giving you a minimum of 10 minutes air time however we aim to give you longer. The T6 Harvard is a thirsty girl and may burn 120 litres of fuel in the air and can also consume a lot while on the ground. So we suggest, for example, if you want 20 minutes in the air book a 30 min flight to be sure.

b. Our aircraft is subject to the most stringent checks and maintenance programmes. Sometimes in a busy year, these maintenance schedules such as 50-hour checks may come around quickly and interrupt our display or flight experience programs. If this happens we shall email you and look for an alternative date at the earliest opportunity. Safety First!

c. Sometimes pilots can be as temperamental as the machinery! As we only use the most professional pilots sometimes they may suffer from a simple cold that may stop them flying. If this happens we shall email you and look for an alternative date at the earliest opportunity. Safety First!

d. Our aircraft operate experience flight under a CAA [ATO \(Approved Training Organisation\)](#) which includes a small selection of airfields including Peterborough. We aim to run all experience flights from Peterborough Conington Airfield however due to circumstances out of our control (i.e Covid restrictions) flight locations may change to one of our other ATO locations such as Old Warden.

d. Your flight booking will be valid for 12 months from the date of purchase and then it will expire. If you would like to extend you must contact us before the 12 months is up to extend, a fee of £50 will be incurred.

e. All flights are transferable to another person with a minimum of 7 days notice before the flight is due to take place.

f. All flights are sold on a **non-refundable basis**, however, they can be transferred to another person.
